

Nanoscience:
The Value of Purpose-Built Drug Delivery

SCITECH MILESTONE AND INVESTOR SUMMIT

About this event

Join Earle Holsapple, SciTech Development's President, as he presents the 2021 SciTech Milestone & Investor, Virtual Summit next week, June 24th at either 8 am ET or 6 pm ET.

Earle will discuss how SciTech has solved the Bioavailability problem plaguing cancer drug development & discovery using the SciTech Delivery Platform as well as the company's growth, progress, and milestones.

Earle will be joined by the following individuals for the Virtual Summit –

- Ralph Parchment, Ph.D., Co-Founder, Chief Scientific Advisor
- Lou Scarmoutzos, Ph.D., Chief Operations Officer
- David Schaffer, Managing Director, Investor Relations

Each will be presenting on the exciting accomplishments and future direction for SciTech!
