

## SciTech Development, LLC

### FOR IMMEDIATE RELEASE

#### **SciTech Development, LLC to Present at the 2021 Spring Oncology Investor Conference (Virtual) on March 31, 2021**

(GROSSE POINTE FARMS, MI) March 26, 2021 – SciTech Development announced that on March 31, 2021, at 10:10am EDT it will present at the Spring 2021 Oncology Investor Conference (<https://www.oncologyinvestorconference.com/>) being held virtually. President and Chief Executive Officer of SciTech, Earle Holsapple, will deliver a company overview to investors. The investor presentation will highlight SciTech's ST-001 nanoFenretinide anti-cancer drug candidate. SciTech's delivery platform enables increased bioavailability for water insoluble assets. ST-001 is Phase 1 ready with an FDA-approved IND in T-Cell Lymphomas, orphan drug designation, and FDA guidance to commercialization.

The Company invites investors to join the webcast presentation. Earle Holsapple and David Schaffer (Investor Relations) will be available for one-on-one meetings with investors throughout the conference.

**Presentation Date:** Wednesday, March 31

**Presentation Time:** 10:10 AM - 10:30 AM Eastern Daylight Time

**Registration Link:** <https://www.oncologyinvestorconference.com/register>

### **About SciTech Development**

SciTech Development, LLC is a clinical stage oncology drug company bringing to market a proven cancer drug for diseases with otherwise limited therapeutic options. SciTech Development is headquartered in Grosse Pointe Farms, Michigan. Additional information regarding SciTech's nanoparticle technology and oncology drug candidate, ST-001 nanoFenretinide, is available from SciTech Development, LLC by calling +1-313-938-5517 or online at <https://www.scitechdevelopment.com/>.

## Forward-Looking Information

This press release and linked information contains forward-looking statements, including information about management's view of SciTech Development LLC ("the Company"), future expectations, plans and prospects. In particular, the words "believes," "expects," "intends," "plans," "anticipates," or "may," and similar conditional expressions are intended to identify forward-looking statements. Any statements made in this release and linked information other than those of historical fact, about an action, event or development, are forward-looking statements. These statements involve known and unknown risks, uncertainties and other factors, which may cause the results of the Company, its subsidiaries and concepts to be materially different than those expressed or implied in such statements. Unknown or unpredictable factors also could have material adverse effects on the Company's future results. The forward-looking statements included in this press release and linked information are made only as of the date hereof. The Company cannot guarantee future results, levels of activity, performance or achievements. Accordingly, you should not place undue reliance on these forward-looking statements. Finally, the Company undertakes no obligation to update these statements after the date of this release, except as required by law, and also takes no obligation to update or correct information prepared by third parties that are not paid for by SciTech Development LLC.
