For Immediate Release

SciTech to Present at Biotech Showcase 2020 in San Francisco

(GROSSE POINTE FARMS, MI) December 7, 2019 – SciTech Development announced that it has scheduled a company presentation at Biotech Showcase™ 2020, to be held January 13–15, during the most important week in healthcare at the Hilton San Francisco Union Square.

Earle Holsapple, President will be presenting SciTech’s innovative ST-001 nanoFenretinide technology at Biotech Showcase as follows:

Date: Monday, January 13, 2020
Time: 11:15 AM (PST)
Room: Franciscan B
Venue: Hilton San Francisco Union Square Hotel,
333 O’Farrell Street, San Francisco, CA

Qualified investors can register to attend Biotech Showcase for free.

ST-001 nanoFenretinide is a small-molecule cancer drug comprised of nanoparticle sized fenretinide in a patented combination with carefully selected phospholipids. SciTech’s product pipeline includes nanoFenretinide formulations for the treatment for several cancer indications. The FDA has granted Orphan Drug Status for ST-001 nanoFenretinide in the treatment of two types of NHL: peripheral T-cell lymphoma (PTCL) and cutaneous T-cell lymphoma (CTCL).

About Biotech Showcase

Biotech Showcase is an investor and networking conference devoted to providing private and public biotechnology and life sciences companies with an opportunity to present to, and meet with, investors and pharmaceutical executives in one place. Investors and biopharmaceutical executives from around the world gather in San Francisco during this bellwether week which sets the tone for the coming year. Now in its 12th year, this well-established, highly respected conference features multiple tracks of presenting companies, plenary sessions, workshops, networking, and an opportunity to schedule one-to-one meetings. Biotech Showcase is produced by Demy-Colton and EBD Group.

Forward-Looking Information

This press release and linked information contains forward-looking statements, including information about management's view of SciTech Development LLC ("the Company"), future expectations, plans and prospects. In particular, the words "believes," "expects," "intends," "plans," "anticipates," or "may," and similar conditional expressions are intended to identify forward-looking statements. Any statements made in this release and linked information other than those of historical fact, about an action, event or development, are forward-looking statements. These statements involve known and unknown risks, uncertainties and other factors, which may cause the results of the Company, its subsidiaries and concepts to be materially different than those expressed or implied in such statements. Unknown or unpredictable factors also could have material adverse effects on the Company's future results. The forward-looking statements included in this press release and linked information are made only as of the date hereof. The Company cannot guarantee future results, levels of activity, performance or achievements. Accordingly, you should not place undue reliance on these forward-looking statements. Finally, the Company undertakes no obligation to update these statements after the date of this release, except as required by law, and also takes no obligation to update or correct information prepared by third parties that are not paid for by SciTech Development LLC.
